**Workshop 11:00am - Protecting Your Home From Internet Pornography; Given by Danny May, Director of Marriage and Family Life**

Never before has so much "indecent and obscene material been so easily accessible by so many minors in so many American homes with so few restrictions" (U.S. Department of Justice). But parents are more powerful than pornography's pull when they are proactive. This workshop will equip parents to discuss the dangers of pornography with their children in an ongoing conversation rather than a one-time talk. Parents will leave with conversation starters, an overview of tools to help protect your home, and suggestions on how to handle it if you discover your child has been viewing internet pornography. All information is taken from the Diocese of Owensboro's "Clean Heart Initiative" launching this year.

**Workshop 2:15pm - "You Got This" - Parenting to the Gen Z Crowd; Given by Joe Bland, Director of Evangelization.**

Parenting has changed substantially over the last two decades. But what hasn't changed is the beauty, goodness and truth of the Catholic Faith. As parents of Gen Z kiddos you will learn some tips on how to transmit and teach the faith with new ardor and new methods. You will learn how to witness the faith along with teaching the faith.
